Specifications and Terms subject to change, E. & O.E., (June 1, 2022)

Initials...../.....

Purchaser shall have the right to select floor coverings, cabinets and countertops, bathroom fixtures and purchase upgrades from the Vendor’s samples subject to their timely availability from the Vendor’s normal supplier and provided that the same have not already been ordered for the Purchaser’s house. Variations from the Vendor’s samples may include but not be limited to variations in bricks, finishing materials, kitchen and vanity cabinets, and floor and wall finishes due to normal production process. The Purchaser is hereby notified that the laundry room may be lowered to accommodate side yard drainage, and in extraordinary cases, door(s) from laundry room will be eliminated at Vendor’s discretion. Steps, where applicable, may vary at any exterior or interior entranceway due to grading variance. Corner lots and priority lots may have special treatments which may require window changes and minor interior modifications to balance and improve the elevations of the house exposed to the street. The Purchaser accepts these changes as necessary. When the Purchaser is buying a house already under construction, Purchaser acknowledges that there may be deviations from the floor plan, elevation or layout of this model and Purchaser agrees to accept such changes as constructed. The house erected or to be erected on the applicable lot shall contain the purchaser that is illustrated that is illustrated in the Vendor’s latest sales display or in any electronic or digital brochure for the model type purchased. The Purchaser acknowledges that the Vendor’s model homes have been decorated for public display purposes and may contain certain features, upgrade finishes and augmented services which may not be included in the basic model type. All electrical services included in the basic model type are illustrated on architectural plans or digital renderings that are available at the Vendor’s sales office. Most additional features on display in the model homes are available as extras. Front elevations are modified where alternate floor plans selected. The Purchaser is notified due to siting, grading, and paving conditions, roof lines may vary due to structural roof framing conditions, and may not be exactly as shown. Due to conditions, risers may be necessary at the front entry. The Purchaser is notified that all lots have Architectural Control applied to them and that exterior architectural features may be added or altered at the Vendor’s discretion to comply with Architectural Control Guidelines. The Vendor reserves the right to use visual representations of the home, taken both during construction and after occupancy, for the purposes of Public Relations and Advertising, and the undersigned hereby consents to the same.
