

INTERIOR DESIGN PACKAGES

CAREFULLY SELECTED FOR YOU

Our Interior Design Packages have been expertly curated by our interior design team to simplify your selection process. Rather than choosing each feature and finish individually, you can easily select the package that suits you best. We created these packages to offer you not only unparalleled style but also increased value, offering high quality materials at a great price.

URBAN

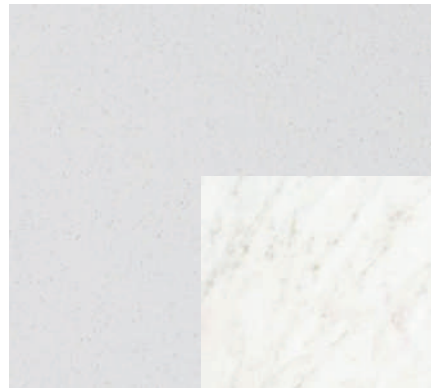

Our Urban package is defined by its sophisticated minimalism, clean lines and moody aesthetic. Incorporating natural materials and organic textures, this sleek, serene and functional space pairs nicely with plush pinks, grey blues and colours rooted in nature.
