E. & O. E. June 25, 2024

Schedule A (Home Features)

Upper Joshua Creek Phase 6A –Rear Lane Town Product

EXTERIOR

1.

MATTAMY'S Upper Joshua Creek is a new home community inspired by the sense of neighbourhood. House sitings and exterior colours will be architecturally co-ordinated.
2.

Elevations include Clay Brick and maintenance free Vinyl Siding, veneer stone, fibre cement rainscreen and EIFS Stucco system with Architectural features in other materials, as per elevation.
3.

Entry-resistant framing on all perimeter doors (excluding patio doors).
4.

Aluminum maintenance-free soffit, downspouts, fascia and eaves-trough.
5.

Architectural styled Laminate Fibreglass shingles with a 30-year manufacturer's Limited Lifetime Warranty.
6.

Steel clad insulated entry and exterior door(s) with weather-stripping and deadbolt lock (excluding patio doors and door from garage to exterior if applicable).
7.

All vinyl casement windows or simulated single-hung casement windows, or fixed windows throughout. All windows as per vendor's specifications and caulked on exterior.
8.

Sliding patio door or garden door(s), as per plan.
9.

All windows triple glazed and entry door glazing. Sliding patio door, where applicable, to be classified as Zone 3 with Low E coating and Argon Gas.
10.

Glazed panel in front entry door or side light(s) as per elevation.
11.

All opening windows and sliding patio doors are complete with screens.
12.

Steel insulated door from house to garage, if grade permits, with safety door closer and keyless entry hardware, as per plan.
13.

Moulded steel panel insulated sectional roll-up garage doors equipped with heavy duty springs and long-life, rust-resistant door hardware, as per elevation. For fire department access, garage doors may include built-in pedestrian doors to allow access from laneway, as required.
14.

Entire lot sodded except paved areas (common side yard 6' or less may be finished with granular material).
15.

Pre-cast concrete slab walkway to front door entry, pre-cast step(s) at front and/or rear door as required.
16.

Rear Lane Towns have one exterior water tap at the front (or garage) of home and one exterior water tap at the rear.
17.

Two exterior weatherproof electrical outlets with ground fault interrupter, one at front and one on balcony.
18.

Front door entry set finished in Satin Nickel. Individual house numbers on front and rear entry. Black front coach lights at all exterior home entrances, as per elevation.
19.

Vendor will install a two-coat asphalt apron at rear.

KITCHEN

1.

Purchaser's choice of cabinets and quartz countertops from vendor's standard selection.
2.

Colour co-ordinated kick plates to compliment kitchen cabinets.
3.

Stainless steel undermount double compartment kitchen sink with spillway. Includes single lever pull down Moen faucet, as per Vendor's standard specifications.
4.

Shut-off valve to the kitchen sink.
5.

Stainless steel finish kitchen exhaust fan with 6" duct vented to exterior.
6.

Heavy duty receptacle for future stove and dedicated electrical receptacle for future refrigerator.
7.

Split receptacle(s) at counter level for future small appliances.
8.

Dishwasher space provided in kitchen cabinets with rough-in wiring and drains. (Wire will not be connected to electrical panel and no cabinet supplied).

BATHS

1.

Separate shower to receive water resistant board to approximately 60" high.

Energy Star certified Smart Thermostat, centrally located on 2nd Floor.
11.

LED lighting in all standard interior and exterior light fixtures as per plan.
12.

Energy Recovery Ventilation (ERV) installed, interlocked with hvac system.
13.

Independent third-party inspection and air tightness test.

WARRANTY

Mattamy Warranty backed by TARION “Excellent Service Rating” includes that the home is free from defects in workmanship and materials for One (1) Year.

Two Year Warranty Protection:

The home is free from defects in workmanship and materials including caulking, windows and doors so that the building prevents water penetration. Defects in workmanship and materials in the electrical, plumbing, heating delivery and distribution systems – Defects in workmanship and materials which result in the detachment, displacement or deterioration of exterior cladding, leaving to detachment or serious deterioration. Violations of the Ontario Building Code's Health and Safety provisions.

Seven Year Warranty Protection (Major Structural Defects):

A major structural defect is defined by TARION as; - a defect in workmanship and materials that results in the failure of the load-bearing part of the homes structure, or - any defect in workmanship or materials that adversely affects your use of the building as a home.

Specifications and Terms subject to change, E. & O.E., February 1, 2024

Purchaser shall have the right to select floor coverings, cabinets and countertops, bathroom fixtures and purchase upgrades from the Vendor's samples subject to their timely availability from the Vendor's normal supplier and provided that the same have not already been ordered for the Purchaser's house. Variations from the Vendor's samples may include but not be limited to variations in bricks, finishing materials, kitchen and vanity cabinets, and floor and wall finishes due to normal production process. The Purchaser is hereby notified that the laundry room may be lowered to accommodate side yard drainage, and in extraordinary cases, door(s) from laundry room will be eliminated at Vendor's discretion. Steps, where applicable, may vary at any exterior or interior entranceway due to grading variance. Corner lots and priority lots may have special treatments which may require window changes and minor interior modifications to balance and improve the elevations of the house exposed to the street. The Purchaser accepts these changes as necessary. When the Purchaser is buying a house already under construction, Purchaser acknowledges that there may be deviations from the floor plan, elevation or layout of this model and Purchaser agrees to accept such changes as constructed. The house erected or to be erected on the applicable lot shall contain the features listed above. The floor plan shall be the plan that is illustrated in the Vendor's latest sales display or in any electronic or digital brochures for the model type purchased. The Purchaser acknowledges that the Vendor's model homes have been decorated for public display purposes and may contain certain features, upgrade finishes and augmented services which may not be included in the basic model type. All electrical services included in the basic model type are illustrated on architectural plans or digital renderings that are available at the Vendor's sales office. Most additional features on display in the model homes are available as extras. Front elevations are modified where alternate floor plans selected. The Purchaser is notified due to siting, grading, and paving conditions, roof lines may vary due to structural roof framing conditions, and may not be exactly as shown. Due to conditions, risers may be necessary at the front entry. The Purchaser is notified that all lots have Architectural Control applied to them and that exterior architectural features may be added or altered at the Vendor's discretion to comply with Architectural Control Guidelines. The Vendor reserves the right to use visual representations of the home, taken both during construction and after occupancy, for the purposes of Public Relations and Advertising, and the undersigned hereby consents to the same

WARRANTY

Mattamy Warranty backed by TARION "Excellent Service Rating" includes that the home is free from defects in workmanship and materials for One (1) Year.

Two Year Warranty Protection:

The home is free from defects in workmanship and materials including caulking, windows and doors so that the building prevents water penetration. Defects in workmanship and materials in the electrical, plumbing, heating delivery and distribution systems – Defects in workmanship and materials which result in the detachment, displacement or deterioration of exterior cladding, leaving to detachment or serious deterioration.

Violations of the Ontario Building Code's Health and Safety provisions.

Seven Year Warranty Protection (Major Structural Defects):

A major structural defect is defined by TARION as: - a defect in workmanship and materials that results in the failure of the load-bearing part of the homes structure, or - any defect in workmanship or materials that adversely affects your use of the building as a home.

Specifications and Terms subject to change, E. & O.E., February 1, 2024

Purchaser shall have the right to select floor coverings, cabinets and countertops, bathroom fixtures and purchase upgrades from the Vendor's samples subject to their timely availability from the Vendor's normal supplier and provided that the same have not already been ordered for this house. Variations from Vendor's samples may occur in bricks, finishing materials, kitchen and vanity cabinets, floor and wall finishes due to normal production process. The Purchaser is notified that the laundry room may be lowered to accommodate side yard drainage, in extraordinary cases, door(s) from laundry room will be eliminated at Vendor's discretion. Steps where applicable, may vary at any exterior or interior entranceway due to grading variance. Corner lots and priority lots may have special treatments which may require window changes and minor interior modifications to balance and improve the elevations of the house exposed to the street. The Purchaser accepts these changes as necessary. When purchaser is buying a house already under construction, Purchaser acknowledges that there may be deviations from the floor plan, elevation or layout of this model and Purchaser agrees to accept such changes as constructed. The house erected or to be erected on the above lot shall contain the features listed above. The floor plan shall be that plan illustrated in the Vendor's latest sales display for the model type purchased. The purchaser acknowledges that the Vendor's model homes have been decorated for public display purposes and may contain certain features, upgrade finishes and augmented services which may not be included in the basic model type. All electrical services included in the basic model type are illustrated on architectural plans available at the Vendor's sales office. Most additional features on display in the model homes are available as extras. Front elevations are modified where alternate floor plans selected. The Purchaser is notified due to siting, grading, and paving conditions, roof lines may vary due to structural roof framing conditions, and may not be exactly as shown. Due to conditions, risers may be necessary at the front entry. Purchaser is notified that all lots have Architectural Control applied to them and that exterior architectural features may be added or altered at the Vendor's discretion to comply with Architectural Control Guidelines. Mattamy reserves the right to use visual representations of your home, taken both during construction and after occupancy, for the purposes of Public Relations and Advertising, and I/we hereby consent to the same.
