*Mortgage approvals will be limited to the rate commitment period offered by RBC for the purchase.

**Depending on other terms and conditions of your mortgage, a longer amortization period can reduce your monthly payments, but can result in higher overall borrowing costs over the course of your mortgage. You should speak to an RBC Mortgage Specialist to determine what mortgage terms are right for you based on your needs and circumstances.

***Your mortgage approval may no longer be firm if a different home is purchased or you are adding to or removing from your mortgage application a co-borrower.
