Schedule A (Home Features)
Springwater Phase 3 - Markham – Village Homes

EXTERIOR

- MATTAMY’S Springwater is a new home community inspired by the sense of neighbourhood. House sitings and exterior colours will be architecturally co-ordinated.
- Elevations include Clay Brick and maintenance free Vinyl Siding, veneer stone, fibre cement rainscreen and EIFS Stucco system with Architectural features in other materials, as per elevation.
- Entry-resistant framing on all perimeter doors (excluding patio doors).
- Aluminum maintenance-free soffit, downspouts, fascia and eaves-trough.
- Architectural styled Laminate Fibreglass shingles with a 30-year manufacturer's Limited Lifetime Warranty.
- Steel clad insulated entry and exterior door(s) with weather-stripping and deadbolt lock (excluding patio doors and door from garage to exterior if applicable).
- All vinyl casement windows or simulated single-hung casement windows, or fixed windows throughout, excluding crawl space. All windows as per vendor's specifications and caulked on exterior.
- Sliding patio door or garden door(s), as per plan.
- All windows triple glazed, excluding entry door glazing. Sliding patio door, where applicable, to be classified as Zone 3 with Low E coating and Argon Gas.
- Glazed panel in front entry door or side light(s) as per elevation.
- All opening windows and sliding patio doors are complete with screens.
- Steel insulated door from house to garage, if grade permits, with safety door closer and keyless entry hardware, as per plan.
- Moulded steel panel insulated sectional roll-up garage doors equipped with heavy duty springs and long-life, rust-resistant door hardware, as per elevation.
- Entire lot sodded except paved areas (common side yard 6’ or less may be finished with granular material).
- Pre-cast concrete slab walkway to front door entry, pre-cast step(s) at front as required.
- One exterior water tap in front (or garage).
- Two exterior weatherproof electrical outlets with ground fault interrupter, one at front and one at balcony on 2nd floor.
- Weiser front door entry set finished in Satin Nickel. Individual house numbers. Black front coach lights at all exterior home entrances, as per elevation.
- Vendor will install a two-coat asphalt driveway for single car.

KITCHEN

- Purchaser's choice of cabinets and quartz countertops from vendor's standard selection.
- Colour co-ordinated kick plates to compliment kitchen cabinets.
- Stainless steel undermount double compartment kitchen sink complete with shut off valves. Includes single lever high arc pull down Moen faucet, as per Vendor's standard specifications.
- Stainless Steel exhaust fan with 6” duct vented to exterior.
- Heavy duty receptacle for future stove and dedicated electrical receptacle for future refrigerator.
- Split receptacle(s) at counter level for future small appliances.
- Dishwasher space provided in kitchen cabinets with rough-in wiring and drains. (Wire will not be connected to electrical panel and no cabinet supplied).

BATHS

- Purchaser's choice of cabinets and quartz countertops from Vendor's standard selection in all bathrooms (excluding Powder Room).
- Colour co-ordinated kick-plate to compliment vanity cabinets.
- Water resistant board to approximately 60” high on separate shower stall walls.
- Energy efficient water saver shower head and toilet tank.
- Frameless glass shower enclosures with 2x2 white mosaic tile base, 8x10 ceramic tiled walls (where required) and frameless glass enclosure in Primary Ensuite as per plan with aluminum channel as required, from Vendors’ standard selection.
- Decorative lighting in all bathrooms and Powder Room.
- Beveled mirrors approx. 42” high in all bathroom(s) and powder room.
- White bathroom fixtures from Vendor's standard selection including Watersense efficient 3.8L elongated toilet.
- White acrylic bathtubs in all bathrooms with ledge, as per plan.
- Exhaust fans vented to exterior in all bathroom(s) and Powder Room.
- Privacy locks on all bathroom and powder room doors.
- Chrome finish upgraded Moen washer-less faucet with pop-up drain and water saving aerator in all bathroom and Powder Room sinks.
- Pedestal sink in Powder Room, as per plan.
- 8x10 ceramic wall tile from Vendors’ standard selection, up to the ceiling for tub/shower enclosure(s) and up to and including ceiling for separate shower stalls.
- White acrylic freestanding oval tub with Moen roman tub faucet in chrome finish as per plan.
- Bathroom and Powder Room accessories to include Moen chrome finish matching towel bar and toilet tissue holder.
- Pressure balance valves to all shower stalls and tub/showers as per plan.
- Shut off valves for all bathroom and Powder Room sinks.

INTERIOR TRIM

- Stairs with oak treads, oak veneer risers and stringers with choice of stained or natural finish from vendor's standard colour selection. Applies to stairs from ground to main floor, main to third floor and from ground to sunken landings as per plan. Excludes stairs to crawl space.
- Colonial moulded panel interior passage doors throughout finished areas (purchaser's choice from vendor's standard selection of one style throughout), excluding sliding closet doors, if applicable.
- Colonial 3 ¼ ” baseboard throughout with 3/8” profiled door stop trim in all tiled areas.
- Colonial 2 ¼ ” trim casing on all swing doors and flat archways up to approx. 12” deep, on ground floor, 2nd floor and hallway of 3rd floor, and windows throughout in all finished areas, foyer and linen closets, where applicable as per plan (excluding bedroom closets with sliding doors and arches in 2nd floor bedrooms and bathrooms).
- All drywall applied with screws using a minimum number of nails.
- Weiser lever handles and hinges (unpainted) finished in Satin Nickel on all interior doors in finished areas, as per plan.
- Wire shelving in all bedroom closets.

LAUNDRY

- Laundry tub with chrome finish dual knob faucet installed with shut off valve in finished laundry room, unfinished crawl space or unfinished storage / utility room, as per plan.
- Purchaser's choice of cabinets and quartz countertops from Vendor's standard selection in optional base laundry cabinet, where applicable, as per plan.
- Heavy duty electrical outlet and exterior vent for future dryer. Electrical outlet for future washer.

ELECTRICAL

- 200 Amp service with circuit breaker type panel.
- All wiring in accordance with Ontario Hydro standards.
- Monitoring device at Hydro Panel.
- One electrical outlet under electrical panel if located in unfinished area.
- Electrical outlet(s) in all bathroom(s) and powder room include ground fault interrupter.
- One electrical outlet in garage for each parking space. One ceiling outlet in garage for each garage door for future garage door opener.
- Electrical box with conduit from garage to crawl space electrical panel for future Electric Vehicle charging included. This is rough in only. Wiring to electrical panel, plug and transformer not included.
- Seasonal duplex receptacle located under front porch soffit with interior switch near front door or in main hall closet.
- Ceiling mounted light fixture(s) in kitchen/breakfast area, den, halls, finished laundry room, family room / great room, dining room and all bedrooms where applicable, as per plan. (Rooms having sloped or ceiling heights over 10’ that span the entire room are to have switch-controlled receptacle).
- Switch controlled receptacle in living room.
- 2 capped ceiling boxes for future pendant lights above kitchen island or peninsula, as per plan.
- Decora style dimmer control in primary bedroom as per plan.
- Deeper electrical boxes for future smart switches (smart switches not included)
- One (1) brushed nickel finished smart door lock for front door entry.
- One (1) decora light switch for front entry light.
- Smoke Detector with visual signaling component installed as per Ontario Building Code.
- Carbon Monoxide Detector on all floors where a finished bedroom is located.
- Electronic door chime at front door.
- Builder to provide (1) finished Cat6 Data line to Great Room to accommodate cable, telephone and internet connections.

PAINTING

- Washable low VOC latex paint on interior walls throughout finished areas. (one colour throughout, from vendor's standard selection).
- Interior trim and doors to be painted white.
- Smooth finish ceiling on ground and main floor. Sprayed stipple ceilings with 4” smooth borders on 3rd floor, except for Bathrooms and finished Laundry Room, where applicable. All closets to have sprayed stipple ceilings only.

FLOORING

- Choice of ceramic floor tile in foyer, kitchen, breakfast area, powder room, bathroom(s) and finished laundry room where applicable, as per plan from vendor's standard selection.
- Engineered Oak Hardwood 3 1/2” wide flooring in choice of colour from vendor's standard selection throughout non ceramic areas on ground, main floor and third floor, as per plan.
- Tongue and groove, oriented strand board subflooring throughout (except crawl space), screwed and glued on engineered floor joist system.
- Concrete crawl space floor with drain.

ADDITIONAL FEATURES

- 9’ high ceilings on ground floor, 9’ high ceilings on second floor and 8’ high ceilings on third floor, except in areas where architectural designs, mechanicals or ductwork require ceiling height to be lowered. Taller upper kitchen cabinets, transom over exterior entry swing doors. Approx. 8’ high interior arches and interior doors. Vanity mirrors and taller windows will be installed and increased, where applicable. Interior Faux Transoms may be installed where it is not possible to increase specified doors.
- 2’x 6” exterior wall construction

- Air Source Heat Pumps for heating and cooling, vented to exterior.
- EnergyStar qualified Tankless water heater paired with Air Handler is included, as located in unfinished crawl space.
- Energy Star certified Smart Thermostat, centrally located on Ground Floor.
- LED lighting in all standard interior and exterior light fixtures as per plan.
- Energy Recovery Ventilation (ERV) installed, interlocked with furnace.
- Independent third-party inspection and air tightness test.

WARRANTY

Mattamy Warranty backed by TARION “Excellent Service Rating” includes that the home is free from defects in workmanship and materials for One (1) Year.
Two Year Warranty Protection:
The home is free from defects in workmanship and materials including caulking, windows and doors so that the building prevents water penetration. Defects in workmanship and materials in the electrical, plumbing, heating delivery and distribution systems – Defects in workmanship and materials which result in the detachment, displacement or deterioration of exterior cladding, leaving to detachment or serious deterioration.
Violations of the Ontario Building Code's Health and Safety provisions.
Seven Year Warranty Protection (Major Structural Defects):
A major structural defect is defined by TARION as; - a defect in workmanship and materials that results in the failure of the load-bearing part of the homes structure, or - any defect in workmanship or materials that adversely affects your use of the building as a home.
Specifications and Terms subject to change, E. & O.E., September 10, 2024.

Purchaser shall have the right to select floor coverings, cabinets and countertops, bathroom fixtures and purchase upgrades from the Vendor’s samples subject to their timely availability from the Vendor’s normal supplier and provided that the same have not already been ordered for this house. Variations from Vendor’s samples may occur in bricks, finishing materials, kitchen and vanity cabinets, floor and wall finishes due to normal production process. The Purchaser is notified that the laundry room may be lowered to accommodate side yard drainage, in extraordinary cases, door(s) from laundry room will be eliminated at Vendor’s discretion. Steps where applicable, may vary at any exterior or interior entranceway due to grading variance. Corner lots and priority lots may have special treatments which may require window changes and minor interior modifications to balance and improve the elevations of the house exposed to the street. The Purchaser accepts these changes as necessary. When purchaser is buying a house already under construction, Purchaser acknowledges that there may be deviations from the floor plan, elevation or layout of this model and Purchaser agrees to accept such changes as constructed. The house erected or to be erected on the above lot shall contain the features listed above. The floor plan shall be that plan illustrated in the Vendor’s latest sales display for the model type purchased. The purchaser acknowledges that the Vendor’s model homes have been decorated for public display purposes and may contain certain features, upgrade finishes and augmented services which may not be included in the basic model type. All electrical services included in the basic model type are illustrated on architectural plans available at the Vendor’s sales office. Most additional features on display in the model homes are available as extras. Front elevations are modified where alternate floor plans selected. The Purchaser is notified due to siting, grading, and paving conditions, roof lines may vary due to structural roof framing conditions, and may not be exactly as shown. Due to conditions, risers may be necessary at the front entry. Purchaser is notified that all lots have Architectural Control applied to them and that exterior architectural features may be added or altered at the Vendor’s discretion to comply with Architectural Control Guidelines. Mattamy reserves the right to use visual representations of your home, taken both during construction and after occupancy, for the purposes of Public Relations and Advertising, and I/we hereby consent to the same.

Seven Year Warranty Protection (Major Structural Defects):
A major structural defect is defined by TARION as; - a defect in workmanship and materials that results in the failure of the load-bearing part of the homes structure, or - any defect in workmanship or materials that adversely affects your use of the building as a home.
Specifications and Terms subject to change, E. & O.E., October 18, 2024.

Purchaser shall have the right to select floor coverings, cabinets and countertops, bathroom fixtures and purchase upgrades from the Vendor’s samples subject to their timely availability from the Vendor’s normal supplier and provided that the same have not already been ordered for this house. Variations from Vendor’s samples may occur in bricks, finishing materials, kitchen and vanity cabinets, floor and wall finishes due to normal production process. The Purchaser is notified that the laundry room may be lowered to accommodate side yard drainage, in extraordinary cases, door(s) from laundry room will be eliminated at Vendor’s discretion. Steps where applicable, may vary at any exterior or interior entranceway due to grading variance. Corner lots and priority lots may have special treatments which may require window changes and minor interior modifications to balance and improve the elevations of the house exposed to the street. The Purchaser accepts these changes as necessary. When purchaser is buying a house already under construction, Purchaser acknowledges that there may be deviations from the floor plan, elevation or layout of this model and Purchaser agrees to accept such changes as constructed. The house erected or to be erected on the above lot shall contain the features listed above. The floor plan shall be that plan illustrated in the Vendor’s latest sales display for the model type purchased. The purchaser acknowledges that the Vendor’s model homes have been decorated for public display purposes and may contain certain features, upgrade finishes and augmented services which may not be included in the basic model type. All electrical services included in the basic model type are illustrated on architectural plans available at the Vendor’s sales office. Most additional features on display in the model homes are available as extras. Front elevations are modified where alternate floor plans selected. The Purchaser is notified due to siting, grading, and paving conditions, roof lines may vary due to structural roof framing conditions, and may not be exactly as shown. Due to conditions, risers may be necessary at the front entry. Purchaser is notified that all lots have Architectural Control applied to them and that exterior architectural features may be added or altered at the Vendor’s discretion to comply with Architectural Control Guidelines. Mattamy reserves the right to use visual representations of your home, taken both during construction and after occupancy, for the purposes of Public Relations and Advertising, and I/we hereby consent to the same.

SPRINGWATER

Schedule A (Home Features)
Springwater Phase 3 –2 Storey Town Product

EXTERIOR

1. MATTAMY'S Springwater is a new home community inspired by the sense of neighbourhood. House sitings and exterior colours will be architecturally co-ordinated.
2. Elevations include Clay Brick and maintenance free Vinyl Siding, veneer stone, fibre cement rainscreen and EIFS Stucco system with Architectural features in other materials, as per elevation.
3. Entry-resistant framing on all perimeter doors (excluding patio doors).
4. Aluminum maintenance-free soffit, downspouts, fascia and eaves-trough.
5. Architectural styled Laminate Fibreglass shingles with a 30-year manufacturer's Limited Lifetime Warranty.
6. Steel clad insulated entry and exterior door(s) with weather-stripping and deadbolt lock (excluding patio doors and door from garage to exterior if applicable).
7. All vinyl casement windows or simulated single-hung casement windows, or fixed windows throughout, excluding basement. Basement windows (30"x24") to be all-vinyl sliders. All windows as per vendor's specifications and caulked on exterior.
8. Sliding patio door or garden door(s), as per plan.
9. All windows triple glazed, excluding basement windows and entry door glazing. Basement windows and sliding patio door, where applicable, to be classified as Zone 3 with Low E coating and Argon Gas.
10. Glazed panel in front entry door or side light(s) as per elevation.
11. All opening windows and sliding patio doors are complete with screens.
12. Steel insulated door from house to garage, if grade permits, with safety door closer and keyless entry hardware, as per plan.
13. Moulded steel panel insulated sectional roll-up garage doors equipped with heavy duty springs and long-life, rust-resistant door hardware, as per elevation.
14. Entire lot sodded except paved areas (common side yard 6' or less may be finished with granular material).
15. Pre-cast concrete slab walkway to front door entry, pre-cast step(s) at front and/or rear door as required.
16. Two exterior water taps, one in front (or garage), and one at rear of home.
17. Two exterior weatherproof electrical outlets with ground fault interrupter, one at front and one at rear of home.
18. Front door entry set finished in Satin Nickel. Individual house number. Black front coach lights at all exterior home entrances, as per elevation.
19. Vendor will install a two-coat asphalt driveway for single car driveway.

KITCHEN

1. Purchaser's choice of cabinets and quartz countertops from vendor's standard selection.
2. Colour co-ordinated kick plates to compliment kitchen cabinets.
3. Stainless steel undermount double compartment kitchen sink with spillway. Includes single lever pull down Moen faucet, as per Vendor's standard specifications.
4. Shut-off valve to the kitchen sink.
5. Stainless steel finish kitchen exhaust fan with 6" duct vented to exterior.
6. Heavy duty receptacle for future stove and dedicated electrical receptacle for future refrigerator.
7. Split receptacle(s) at counter level for future small appliances.
8. Dishwasher space provided in kitchen cabinets with rough-in wiring and drains. (Wire will not be connected to electrical panel and no cabinet supplied).

BATHS

1. Separate shower to receive water resistant board to approximately 60" high.
2. Frameless glass shower enclosures with 2x2 white mosaic tile base, tiled walls (where required) and glass enclosure in Primary Ensuite as per plan with aluminum channel as required.
3. Purchaser's choice of cabinets & quartz from Vendor's Included selection (excluding Powder Room).
4. Colour co-ordinated kick-plate to compliment vanity cabinets.
5. Decorative lighting in all bathrooms and Powder Room.
6. Beveled mirrors approx. 42" high in all bathroom(s) and powder room.
1. White bathroom fixtures from Vendor's standard selection including Watersense efficient 3.8L elongated toilet.
7. White acrylic bathtubs in all main and secondary bathrooms with ledge as per plan.
8. Exhaust fans vented to exterior in all bathroom(s) and Powder Room.
9. Privacy locks on all bathroom and powder room doors.
10. Chrome finish upgraded Moen washer-less faucet with pop-up drain and water saving aerator in all bathroom and Powder Room sinks.
11. Pedestal sink in Powder Room, as per plan.
12. 8x10 ceramic wall tile from Vendors' standard selection, up to the ceiling for tub/shower enclosure(s) and up to and including ceiling for separate shower stalls.
13. White acrylic freestanding oval tub with Moen roman tub faucet in chrome finish as per plan.
14. Bathroom and Powder Room accessories to include Moen chrome finish matching towel bar and toilet tissue holder.
15. Pressure balance valves to all shower stalls and tub/showers as per plan.
16. Shut off valves for all bathroom and Powder Room sinks.

INTERIOR TRIM

1. Stairs with oak treads, oak veneer risers and stringers with choice of stained or natural finish from vendor's standard colour selection. Applies to stairs from ground to second floor.
2. Colonial moulded panel interior passage doors throughout finished areas (purchaser's choice from vendor's standard selection of one style throughout), excluding sliding closet doors and cold cellar doors if applicable.
3. Colonial 4" baseboard throughout with 3/8" profiled door stop trim in all tiled areas.
4. Colonial 2 ¼" trim casing on all swing doors, flat archways up to 12" deep, windows throughout in all finished areas, foyer and linen closets where applicable as per plan. (Excluding bedroom closets with sliding doors).
5. All drywall applied with screws using a minimum number of nails.
6. Satin nickel finish hinges and lever-style handles on all interior doors, in finished areas as per plan.
7. Electric fireplace with painted MDF mantle, from Vendor's Included selection, as per plan.
8. Mirrored Sliders in Foyer closet, as per plan.
9. Wire shelving in all bedroom closets.

LAUNDRY

1. Laundry tub with chrome finish dual knob faucet installed with shut off valve in finished laundry room, unfinished basement or unfinished storage / utility room, as per plan.
2. Purchaser's choice of cabinets and quartz countertops from Vendor's standard selection in optional base laundry cabinet, where applicable, as per plan.
3. Heavy duty electrical outlet and exterior vent for future dryer. Electrical outlet for future washer.

ELECTRICAL

1. 200 Amp service with circuit breaker type panel.
2. All wiring in accordance with Ontario Hydro standards.
3. Monitoring device at Hydro Panel.
4. One electrical outlet under electrical panel if located in unfinished area.
5. Electrical outlet(s) in all bathroom(s) and powder room include ground fault interrupter.
6. One electrical outlet in garage for each parking space. One ceiling outlet in garage for each garage door for future garage door opener.
7. Electrical box with conduit from garage to basement electrical panel for future Electric Vehicle charging included. This is rough in only. Wiring to electrical panel, plug and transformer not included.
8. Seasonal duplex receptacle located under front porch soffit with interior switch near front door or in main hall closet.
9. Ceiling mounted light fixture(s) in kitchen/breakfast area, den, halls, finished laundry room, family room / great room, dining room and all bedrooms where applicable, as per plan. (Rooms having sloped or ceiling heights over 10' that span the entire room are to have switch-controlled receptacle).
10. Switch controlled receptacle in living room.
11. 2 capped ceiling boxes for future pendant lights above kitchen island or peninsula, as per plan.
12. Decora style dimmer control in primary bedroom as per plan.
13. Deeper electrical boxes for future smart switches (smart switches not included)
14. One (1) brushed nickel finished smart door lock for front door entry.
15. One (1) decora light switch for front entry light.
16. Smoke Detector with visual signaling component installed as per Ontario Building Code.
17. Carbon Monoxide Detector on all floors where a finished bedroom is located.
18. Electronic door chime at front door.
19. Builder to provide (1) finished Cat6 Data line to Great Room to accommodate cable, telephone and internet connections.

PAINTING

1. Washable low VOC latex paint on interior walls throughout finished areas (one colour throughout) from Vendor's standard selection.
2. Interior trim and doors to be painted white.
3. Smooth finish ceiling on main floor. Sprayed stipple ceilings with 4" smooth borders on 2nd floor except for Bathrooms and finished Laundry Room, where applicable. All closets to have sprayed stipple ceilings only.
