

Our Team of Architecture Experts

Our Architectural Team works with our architectural partners to create designs that deliver on homeowners expectations and apply Mattamy's architectural standards across North America. This helps make our communities recognizable for their unique details and home designs.

A CAREER IN ARCHITECTURAL SERVICES

Mattamy Homes is known for our commitment to providing the Best Homeowner Experience and we achieve this through the quality and commitment of our people. Our Architecture professionals apply their expertise in Architecture, specific to residential construction, in multiple metropolitan areas within Canada and the United States.

The Architecture team at Mattamy is responsible for providing architectural services to the company while working in partnership with different areas of the business such as Marketing, Purchasing, Design, and Construction. In addition, they regularly communicate with our external architectural firm to obtain approvals for new designs and support all areas of architectural services from

producing construction documentation in accordance with statutes and by-laws to verifying the accuracy of working drawings for marketing brochures in order to provide the Best Homeowner Experience.

Common opportunities within our Architecture Team include:

- **Architectural Coordinator**
- **Architectural Manager**
- **Value Engineering Specialist**

We are looking for hardworking, highly organized, and dedicated professionals with an eye for detail and a passion for construction. Individuals who are seeking to utilize their post-secondary education in Architectural Technology, have a solid grasp of Building Code requirements and a technical knowledge of residential construction will find challenge and opportunity in applying their skills with a dynamic, fast-paced industry leader.

We will work with you to find the right challenging experiences, learning and development to support your personal and career goals within our Architectural Department.

We have Architectural roles in:

Canada:

- Greater Toronto Area
- Ottawa
- Calgary

United States:

- Orlando
