

### Our Team of Urban Infill and High Rise

Professionals with a background in the Urban Infill residential or High Rise condominium industry, and an intense focus on delivering top-quality product with a winning service approach will find a rewarding career experience at Mattamy Homes.

## A CAREER IN URBAN INFILL OR HIGH RISE

Mattamy Homes is known for our commitment to providing the **Best Homeowner Experience** and we achieve this through the quality and commitment of our people. Our Urban Infill and High Rise teams apply their specialized knowledge and skill of these unique businesses, aimed at diversifying Mattamy's product offerings to expanded consumer markets.

### Urban Infill

Our Urban Infill Division focuses its business activities on infill communities within built-up areas of Toronto, Mississauga and other GTA urban centres. The project-based organizational structure of the Urban Infill Division means each team, headed by a Project Manager, has responsibility for all aspects of a particular project including land acquisition, land development, architecture, home construction, purchasing and marketing.

### Common opportunities within our Urban Infill team include:

- **Customer Care Coordinator**
- **Builder**
- **Assistant Project Manager**
- **Project Manager**

### High Rise

Our High Rise division has a strong foundation of success, having sold more than 7,000 suites – achieved through visionary thinking in the selection of sought-after locations, design of award-winning floor plans and providing top-notch service to condominium purchasers. Our High Rise division is made up of a team of experts specializing in High Rise in the areas of land development, construction project management, design, sales, marketing, purchasing and customer care.

### Opportunities within our High-Rise team include:

- **Customer Care**
- **Construction Project Management**
- **Construction Superintendents**
- **Land Development Project Management**
- **Estimating specialists**
- **Design Studio specialists**

We are looking for hardworking, goal-oriented, and reliable professionals with a strong work ethic and a flexible attitude, who strive to provide extraordinary service. Individuals who are seeking to utilize their post-secondary education within their field, as well as their specialized knowledge and experience within the Infill or High-Rise development industry, will find challenge and opportunity in applying their skills with a dynamic, fast-paced industry leader.

We will work with you to find the right challenging experiences, learning and development to support your personal and career goals within our Urban Infill & High-Rise teams.
